Re: Patent Application 10/768,593

Dear Kimberly

I appreciate the help you gave me by phone and hope this complies with your requirements. Enclosed are the Claim, Brief Description of the Drawings and the Declaration. I hope I used the correct form as I did not fully understand the parts about the foreign patents.

In regards to the other patent that you cited, it has little, if anything to do with my Mosquito Pipe. It's six foot length of pipe acts as a vertical support, while my apparatus lays horizontal close to the ground and uses multiple wicks to create a continuous curtain or 'wall' of fumes.

I shall check with you after you receive this to make sure that I have submitted all the required paperwork and in proper form. Thank you again for taking the time to help me.

Gratefully Yours

Tony Jabr
